

Alverno Clinical Laboratories, LLC announces a new collaboration with the Sisters of St. Francis Health Services at the Open House of the new Clinic of St. Anthony Medical Center located in St. John, Indiana just east of Route 41 and Route 231.

Sister Madonna and Sister Rachel of the religious order joined executives from Alverno Clinical Laboratories for the blessing and dedication of the facility. Local residents may visit the clinic and receive laboratory and other diagnostic services.

The new clinic initiated services April 14, 2008.
